## YOUR HISTORY

*Alive for future generations in Mulgrave/Waverley/Monash*

Do you know your home turf? Think again. Its secrets surround you, waiting for rediscovery. Local train commuters pass the Waverley Historical Society daily, unaware that 160+ years of pioneering spirit and district development is waiting to be tapped across the road from Mt Waverley railway station. And long before rail lines and pioneering families shaped the district, this land was part of the Country cared for by the Wurundjeri and Bunurong peoples of the Kulin Nation — whose deep connection to place continues today."

OUR GOALS: To foster historical interest and knowledge, particularly of the Waverley district, acquire historical material, to research and record past and present relevant aspects of local history and assist in preserving historical landmarks in Waverley.
