YOUR HISTORY

Alive for future generations in Mulgrave/Waverley/Monash

Do you know your home turf? Think again. Its secrets surround you, waiting for rediscovery. Local train commuters pass the Waverley Historical Society daily, unaware that 160+ years of pioneering spirit and district development is waiting to be tapped across the road from Mt Waverley railway station, above the Mt Waverley Library at 41 Miller Cres.

OUR GOALS: To foster historical interest and knowledge, particularly of the Waverley district, acquire historical material, to research and record past and present relevant aspects of local history and assist in preserving historical landmarks in Waverley.

MEETINGS: Talks on selected Sunday afternoons (dates and times as per the Events Programme)
History Walks in areas of the city on Sundays (dates and times as per the Events Programme).
